PROMOTION UPDATES

- For members of the SMCR and the AR Program, select grades for promotion to PFC and LCpl will now be generated monthly.
- Select grade process will no longer zero out Composite Score. It will remain resident for the full promotion quarter. The composite score will zero out when the promotion processes.
- Re-Computation of composite score will now edit for changes to DOR, AFADBD, or PEBD and adjust creditable time.
- MSG members who's comp score exceeds MOS's Cutting score by 100 or more points at time of promotion to Cpl will have the points continued for promotion to Sgt.
- For time-in-grade and time-in-service Composite Score computation, 16 days or more (inclusive) will be considered a full month.

EXTENSION OF ENLISTMENT MODIFICATION

- **When an active duty unit reports an extension of enlistment on a Reservist on active duty it will now process correctly, updating the Reserve ECC.**
- **Active duty units can also report cancellations of extension of enlistments on Reservists who are active duty with their unit.**

PROCESSING LOGIC FOR TTC 880, TR FROM SMCR TO THE IRR

- **ECC and EAS flags will now be deleted for all members transferred from the SMCR to the IRR.**
- **This will facilitate the IRR 'Auto Drop Process' to drop these Marines during the month their Reserve ECC expires.**

TRACKING SMCR TRANSFERS

- **Transfers within the SMCR should be tracked by the gaining and losing commands.**
- **An advisory will be generated after the reported EDA to both commands advising them to “report join or take appropriate action.”**

PFT AND RIFLE EFFECTIVE DATE

- **The PFT and Rifle date will now be reported as 8 an byte field (YYYYMMDD). Previously, it was reported as a 6 byte field (YYYYMM).**
- **This will facilitate the Composite Score process.**

PRIOR PFT REPORTING

- **A new field, PRIOR PFT has been created for use in the Composite Score process.**
- **This field would be updated by reporting PFT and then the existing PFT would move to PRIOR PFT.**
- **If PRIOR PFT should need to be corrected there is a new TTC 481 008 ____PRIOR PFT____|. The action date must be less than the PFT date listed in MCTFS and not within the same semi-annual period.**

REDUCE/ELIMINATE MCTF ADVISORY MESSAGES

- **Some advisory messages have been eliminated, changed, or combined.**
- **Previously, TTCs would receive advisory numbered differently than than TTC number.**
- **Now the TTC matches the advisory number indicating the actual TTC that created the error.**

VEAP TO MGIB CONVERSION

- **VEAP has been modified to convert to the MGIB Chapter 30 Program**
- **3 new codes have been added to indicate that a former VEAP eligible Marine has converted to MGIB. The codes are 'U', 'V', and 'W'.**
- **TTC 908 000 has been modified to add active duty MGIB status codes U, V, W, and 7.**

ORIGINAL VETERAN'S EDUCATION BENEFIT PROGRAM (OVEBP)

- **This code indicates the Veteran's Education Benefit Program that was implemented at the time the Marine originally enlisted.**
- **CODES DEFINITION:**
 - 1 - Chap 34 of 38 U.S.C. 'Veterans Educational Assistance' old GI Bill 1 Feb 1955 to 31 Dec 1976. 2**
 - Chap 32 of 38 U.S.C. 'Post Vietnam Era Education Assistance Program' (VEAP) 1 Jan 1977 to 30 Jun 1985. 3**
 - Chap 30 of 38 U.S.C. 'All volunteer Force Educational Assistance Program' (MGIB) 1 July to Present.**

PERSTEMPO COUNTER WITH WAIVER

- **The National Security Waiver temporarily suspended the accumulation of deployment days for purposes of determining eligibility for High Deployment per diem.**
- **Two existing fields indicated DepTempo earned during a 365 or 730 day period.**
- **Two new fields have been added to indicate DepTempo earned during the National Security Waiver Enactments.**
- **The TOUR screen in MTFS will display the new fields as:**

365 DEPLOYED TOTAL DAY W/WAIVER QY

and

730 DEPLOYED TOTAL DAY W/WAIVER QY.

PERS TEMPO PUREX ADVISORY

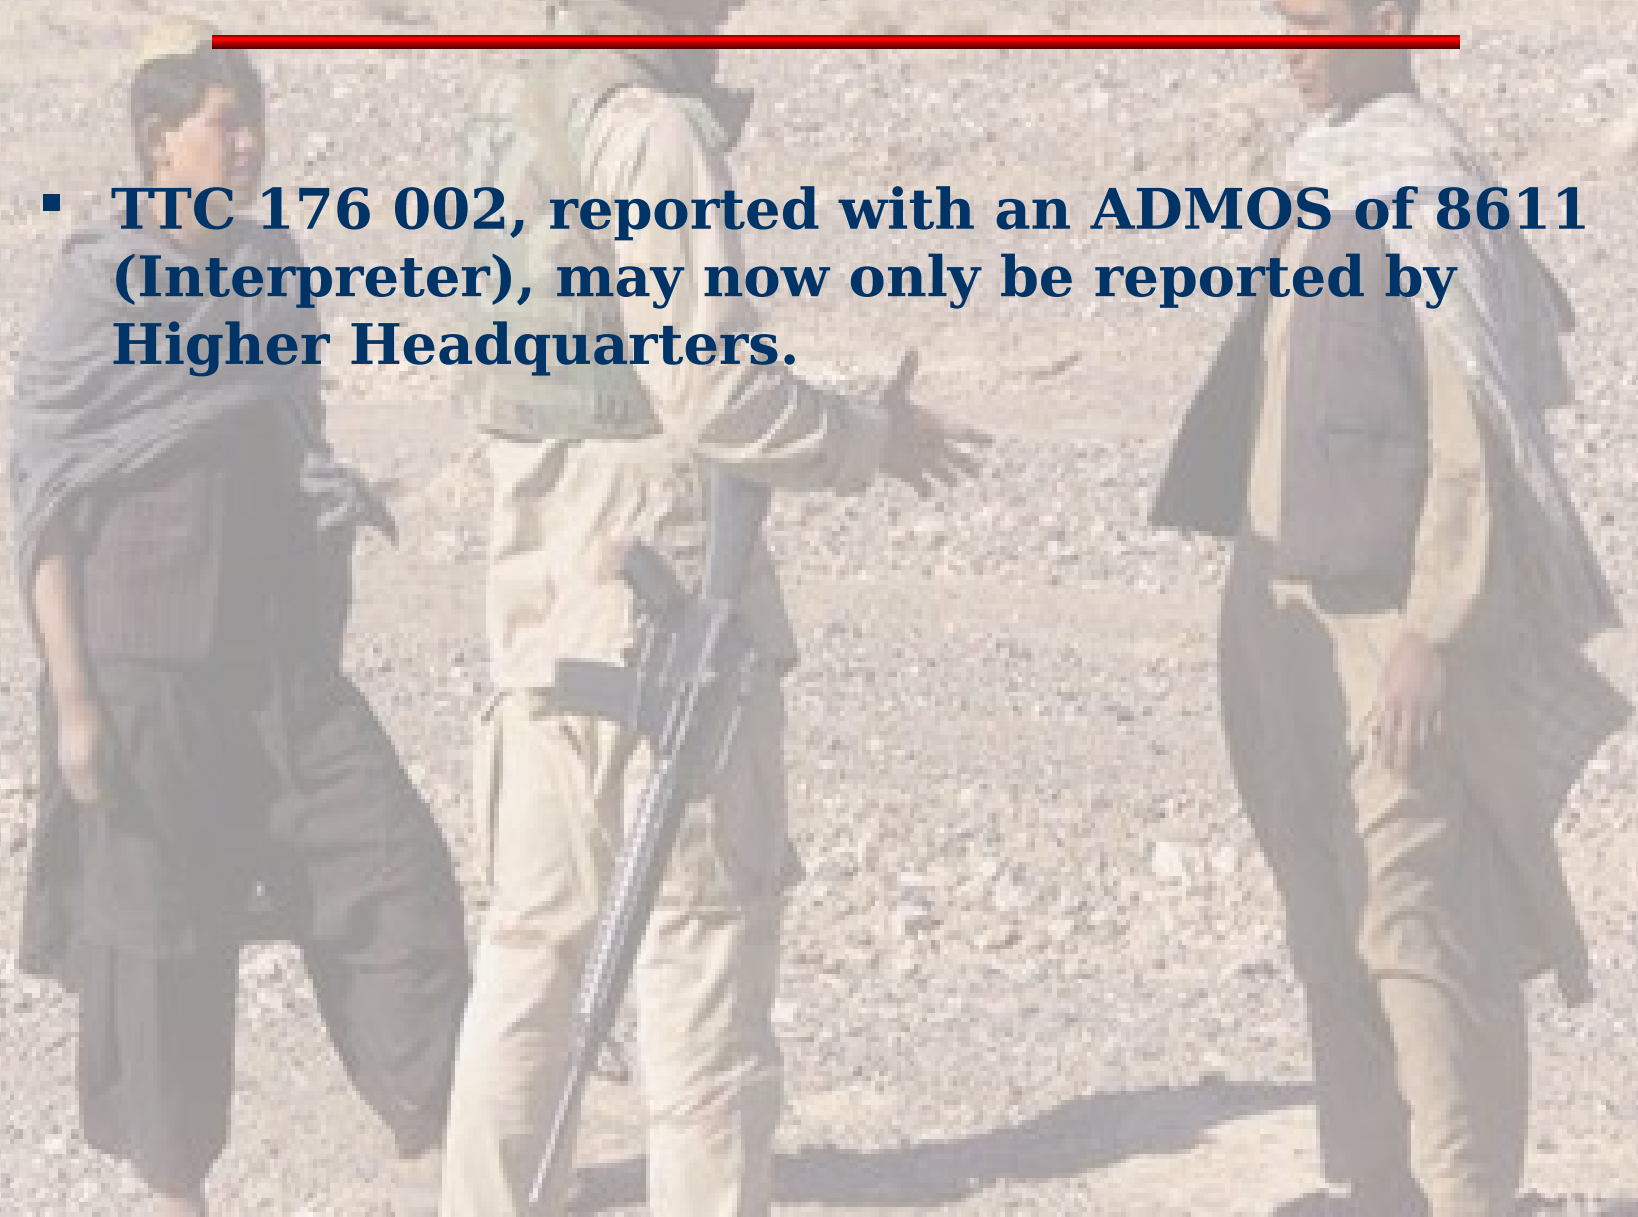

- **A DFR advisory will be generated when a member is within 45 days of eligibility for receiving Pers Tempo High Deployment Per Diem.**
- **The advisory will be in part IV of the DFR and will read:**
“MBR WITHIN 45 DAYS OF ELIGIBILITY FOR PERSTEMPO HIGH DEPLOYMENT PER DIEM”

MODIFICATION TO MCTFS 'AWDS'

- The MCTFS awards (AWDS) screen has been simplified to display the English title of each member's award only once.
- A counter will record the total number of each same award a member has received and post the total of each award to the right of the award description.

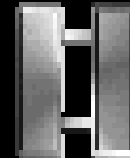

ADMOS '8611' REPORTING RESTRICTIONS

- **TTC 176 002, reported with an ADMOS of 8611 (Interpreter), may now only be reported by Higher Headquarters.**

CLOSE 980 REMARK

- **The Reserve Retirement Remark (980) will be closed when TTC 048 (Officer Admin Acceptance) is reported.**
